

RAH! THEATRE

SPONSORSHIP PROSPECTUS

RAH! THEATRE

RAH! Theatre was started by Nicole M. DePietro in 2023 to honor the memory of her father Walter “Phillips” DePietro.

A small theatre company primarily featuring teens in the Charlotte Mecklenburg and Union County areas, RAH! Theatre strives to give members a place to express their unique style and stretch their creative muscles.

Beyond the stage, RAH! seeks to grow its members in the areas of empathy and communication. Too often with the competitive nature of theatre, we lose its true purpose; to step into the world of those who are different from us. In doing so, we gain greater understanding of and love for our fellow humans; something the world greatly needs at this time.

OUR MISSION

RAH! Theatre is a safe space for all to explore their talents and creativity while surrounded by kindness, empathy and affirmation.

"RAH! Theatre is truly one of the only places that has felt like home to me. I am very proud to say that I am a part of this family - so many phenomenal things happen within it. It fills me with joy to see just how many people have grown to feel the same way I do about this community. It's a gem. RAH!"
